

# Save a Life. Save the Earth.

Our impact: local, global, & environmental

## Local

In 2012, HERO served 3,119 individuals and agencies, with over 23,000 items of medical equipment and supplies.

*Trent received a double wide scooter. It has opened up his world and now he can venture outside with his family and friends.*

## Global

HERO donates supplies and equipment to medical mission teams and international medical organizations throughout the world.

*In 2012, HERO served 33 medical mission teams in countries like Haiti and Ecuador.*

## Receiving equipment & supplies

Anyone can utilize HERO services and receive medical items for free or a reduced cost. HERO typically provides:

- Wound care supplies
- Personal hygiene items
- Incontinence supplies
- Rehab items
- Equipment: walkers, crutches, wheelchairs, etc...
- Linens & scrubs

If you are unsure if we carry a specific item, please call. We may be able to put you on a waiting list for popular items not in stock.

## Environmental

HERO recycles through redistribution. Individuals and organizations can donate medical items and HERO will distribute them to those in need.

In 2012, HERO saved 152,653 pounds of medical equipment and supplies from disposal in landfills.

## Donating items

Donations must be clean and in good working condition. If you have received an item from HERO and are no longer using it, donate it back for someone else to use. Please note, we cannot accept prescription medication.

# What Is HERO?

## Mission

HERO collects and redistributes donated healthcare materials to benefit those in need.

## Vision

All viable excess medical supplies and equipment are handled in an environmentally safe manner, promoting recycling through redistribution.

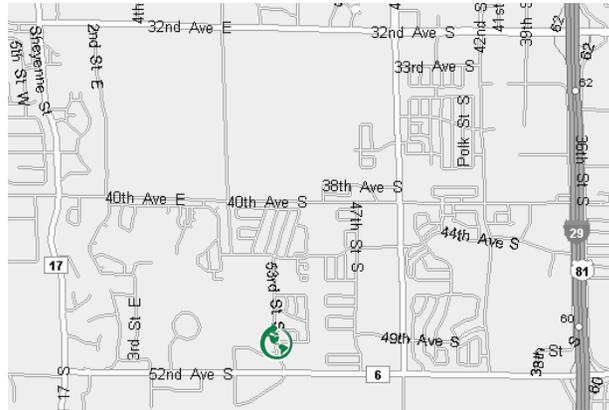

## Recycling through Redistribution
